

ECKLER

Eckler's Member Portals

Online. Secure. Personalized.

A secure, personalized way to effectively communicate and share documents with your pension plan members through digital channels. Eckler's Member Portals enable you to continue to meet member expectations – then exceed them!

Digital access to plan-related communication

- Plan-level and/or personalized details posted for all, or some.
- Post active, retiree and/or deferred pension statements, plan guides, FAQs, newsletters, annual reports, and any other updates.

Secure

- Personalized account access via complex password, and validation protocols.
- Multi-factor authentication including verification code protocols.
- Individualized storage locations ensure security of each member's data.
- SSL certificate site security.

Personalized

- Sponsor branded: name, logo, and color palette (up to two colors).
- English and/or French.
- Your own standardized URL – <https://clientname.docucentre.ca>.
- Enhanced brand customization and domain name available upon request.

Simple

- Desktop and/or mobile access.
- 24/7 member access to personalized information; download the details they want.
- Efficient, cost-effective way to send updates – eliminate print and postage expenses!
- Notification emails announce the arrival of new information.

Learn more

To learn more, we invite you to connect with your Eckler consultant, or contact us at eckler.ca

Eckler is Canada's largest independent actuarial consulting firm. Our purpose is to care and to do right by people so that together we can achieve a brighter, more secure future. Based in Canada and the Caribbean, we're a team of committed and highly skilled professionals in the areas of pension, retirement, financial wellness, investment, benefits, compensation, change management and communication, along with insurance and technology consulting. Owned and operated by active Principals, the company has earned a reputation for service continuity and high professional standards. Eckler is a founding member of Abelica Global – an international alliance of independent actuarial and consulting firms operating in over 20 countries.
